## BROCKET HALL GOLF CLUB

The result? Quite simply, one of the finest and most exclusive golf clubs in the United Kingdom. Virtually unmatched for setting and elegance, Brocket Hall Golf Club is a golfer's dream and a unique and private refuge from a hectic world. The Club is now offering a limited number of Memberships.

*Members enjoy preferential rates on Private Parties and Corporate Events at the historic Brocket Hall*

Brocket Hall was built in 1760 and has been the home to two British Prime Ministers and a favourite country retreat of royalty. Situated in beautiful Hertfordshire countryside, just 22 miles from the centre of London, The Brocket Hall Golf Club offers some of the finest golf, conference and private entertainment facilities in the United Kingdom.

## 2 CHAMPIONSHIP COURSES

Complimentary Green  
Fee Vouchers*

The Melbourne Course features the River Lea wending its way through the Estate, with four holes crossing it at various points. Its signature hole the eighteenth, where golfers are carried across by a ferry, is a par 5 over the water to a well-guarded green - with the Hall as its spectacular backdrop. This par 72 course designed by Peter Alliss and Clive Clark, offers a challenge to the low handicappers and improvers alike.

Similarly you could choose to play our Palmerston Course, a tree lined Championship Course designed by Donald Steele. Eighteen testing holes sculptured through ancient woodland, it offers stunning views from the tees and fairways. Although there are no water hazards to concern you on this one, the undulating and twisting fairways more than compensate.
